## The Monday "Shopping Club" Meets Here To-Morrow.

Every member is requested to be present, as business of importance is to be transacted. Meeting will be called to order promptly at 8 A. M. and continue until 6 P. M. Subjects to be discussed are:

**\$1.25 Sonette Corsets at 63c.**

The twenty-five dozen disappeared in a twinkling last Monday. Another twenty-five dozen ready to-morrow, and the three hundred women who get here first will get them. Of coutil, with imported English sateen stripping; silk flossed top and bottom; finished with a very fine silk edge; two side steels; medium long waist; four hooks; closely boned; colors white and drab; sizes 18 to 26; regularly \$1.25—here Monday for 63c. Now will you come?

## Wash Dress Fabrics.

If this twenty-five hundred yards of fine percales doesn't vanish by nightfall Monday the writer will be very much mistaken; such prettiness in light and dark grounds, in stripes and polka dots and figures for a dime a yard is seldom met with. Full 36 inches wide and colors that will stick to the last thread of cloth—ten cents yard.

And this plain colored pique in pink, in light blue, in French blue and in navy will find quick favor at 12c, instead of 18c.

Also, these dotted Swiss Mulls, Pine-apple Batistes, and Corded Lawns in dainty striped and figured effects are a quality triumph and a price triumph at ten cents a yard.

## Men's Half Hose.

Whoever heard of getting men's heavy lisle thread seamless socks in fast black or tan at two pairs for 25c. until we offered them to-day?

At 25c—MEN'S HALF HOSE—of fancy cotton and lisle thread in all the newest designs, at 25c. pair, or neatly packed, half dozen to a box, for \$1.38; the values may not be unusual, but the styles are very much in evidence.

## Silk Ribbed Vests, 31c.

An even hundred, so don't expect to find them here after ten to-morrow morning. Low neck; crocheted shoulders; in cream only; sizes 3 and 4. They have been 49c. up to now. To make them go around as far as possible, we limit each purchaser to two garments. Who will be the first fifty?

## Women's Cotton Hose, 17c.

If this announcement concerned ordinary 17c. cotton hose, it wouldn't pay us to put it in the papers. But it doesn't—it concerns a choice lot, containing six styles of fancy, plain and drop stitched stockings—grades that you will be glad to get at 17c. pair or three pairs for 50c.

## Children's School Hose, 12c.

Here's good news for mothers. Children's treble knee ribbed black cotton school hose in sizes 5 to 8, at 12c. pair. You will buy them by the dozens.

Who can resist the impulse to invest \$5.75 or \$6.50 in one of these quadruple plated Tea Sets of four prettily engraved pieces?

At \$1.25 set—CRUMB TRAY and SCRAPER, of quadruple plated silver; satin engraved.

## China Mattings.

Right for the Summer cottage or city home. Clean, cool, cheerful. And little enough to pay to make your eyes sparkle with delight and twinkle with satisfaction.

40 yard rolls at \$10 and \$12.

## \$1.00 Suede Gloves, 75c.

Advertising this glove store is like writing a continued story. Each succeeding chapter is more intensely interesting. Here's the one for to-day. To-morrow you may choose from these new Suede Gloves, in all stylish Spring shades of tan, of modes, of gray, of black, of beaver, of white, with three rows of self and black embroidered back, at 75c. pair. They were imported for Easter trade and were intended to sell at one dollar. Importer expected a great season—overstocked himself—and here's the end of the chapter.

Gloves cleaned in 24 hours by odorless, dry process.

Agents for Reynier Gloves—for Rouillon Gloves—for Fisk, Clark and Flagg Gloves—the best of their kind in the world.

## Trimming Buttons.

"Button, button, who has the button?" An absurd question. Who else should have it but us! To match your gown, your ideas, your purse.

Buttons of crystal—of Rhinestone—of steel—of pearls—of colored jewels and of jet.

There's as much style and finish to a button as there is to a dress—and it's the stylish kind you will find here. A sample price:

At 25c. doz.—PLAQUET BUTTONS, a full set of twelve.

## Jet Bead Trimmings.

At half price—or very near it. An accumulation of stock samples the maker wished to be rid of. We will pay full prices for these grades next time.

The dollar quality at 49c. yard. The dollar twenty-five quality, 69c. yard.

Any wonder that such values keep the salespeople busy?

In colored—Narrow beaded Trimming in brown—in green—in crystal—in pink—in blue—in cashmere—in heliotrope—in garnet—in myrtle. Lot A at 5c. yard; 50c. dozen yards. Lot B at 10c. yard; \$1.00 dozen yards.

We will have more when these are gone—but no telling when.

## Washable Shirt Waists.

There's a happy harmony of style and quality and price in the shirt waist store. We can give you a splendid figured lawn waist for 39c., and a very pretty percale waist for 75c. Of finer ones in ginghams, in nainsooks, in piques, in madras, in lawns, both white and colored, prices range from 95c. to \$3.00.

At 75c.—SHIRT WAISTS of fine percale in plain colors of pink and blue; plaited back; full front; detachable collar.

At 95c.—SHIRTS WAITS of gingham, in dainty bayadere stripes; assorted colors; stylish designs; detachable collar; pearl buttons.

## Colored Petticoats.

A new lot of mercerized Sateen Petticoats that we could easily sell at three dollars are here to be sold Monday for \$2.25 because a fortunate circumstance enables us to do so. Polka dots, fancy striped and colors; stiffened umbrella ruffles with four rows of space cording; faced with velvet. We unqualifiedly guarantee them.

At 97c.—PETTICOATS of percaline in striped and polka dot effects; umbrella ruffle with three small corded ruffles.

## 85c. Muslin Gowns at 69c.

We had to coax and threaten the makers to get this lot here in time for Monday. We cannot afford to disappoint our customers.

Of extra good muslin, high neck, solid tucked yoke, with ruffle of fine embroidery around neck, down front of yoke and around sleeves.

Of extra good muslin, high neck, with tucks and two rows of embroidery insertion in yoke, ruffle of neat embroidery around neck, front of yoke and sleeves.

Of extra good muslin; square neck, ruffle of embroidery around neck and sleeves, yoke tucked in clusters or two tucks in a cluster.

## EASTER MILLINERY.

Difficulty of judging actual value makes it easy for those who depend on high prices to put on large profits, and while money is often willingly paid for a beautiful Hat or Bonnet, it is no excuse for asking exorbitant prices.

The ever-increasing popularity of department, now occupying three times its former space, proves appreciation of our policy of selling Millinery on same moderate basis of profit as other Goods.
